1. Seasonal Qualifications

- a. All rates are based on one family. A family consists of two adult domestic partners and three unmarried dependents under the age of 21 and living at home.
 - i. Anyone who has more than three dependents (under 21) or any grandchildren may add them on for \$150 per person.
 - ii. Dependents 21 and older as well as other adults and children not included in the above statements may be added on as seasonal visitors for \$250 per person
 - iii. You must be here for seasonal visitors to visit. If they come in while you are not here, they must pay the regular camping fee.
- b. New Seasonal Campers: Your trailer or RV must be twelve years old or newer (2014) at the time you move on to your site. The ten-year rule still applies to lake sites.
- c. Existing equipment over the age of 12 will be allowed as rule 1b only pertains to incoming RVs.
- d. Seasonal campsites must maintain only one camping unit.
- e. Any current seasonal selling their camper must inform the office. If the potential buyer would like to keep the unit on an existing site (except for Lakeside sites) or at WEC, they must get prior approval from the Office. New potential guests will be subject to completion of our Information Sheet along with the acceptance of our Rules, subject to a reference and background check prior to approval.

2. Seasonal Rates, Fees, and Payment Schedule

- a. A deposit of \$1,000 is due on August 15th
- b. A second deposit of \$1,000 is due on January 1st
- c. A winter storage fee of \$450 is due by September 30th
- d. There is no refund of deposits for seasonal sites or storage fees.
- e. It is the responsibility of each seasonal to maintain a current account balance.
 - i. All bills (site fees, labor, electric, etc.) are kept on hand at the campground office and will not be mailed
 - ii. Please stop in at least monthly to maintain a current account balance
 - iii. At the end of the season, it is your responsibility to see to it that all bills have been paid
 - iv. The final electric bill of the season will be billed around October 15th.
- f. Seasonal Rate
 - i. The Seasonal Rate is offered at a significantly discounted rate, thus requiring payment in full by April 15th each season. If your site is not paid for in full by May 1st each season, you will be required to remove your unit and all belongings from your current seasonal site to a non-seasonal site to be billed and subject to the then current applicable monthly site fee. Once a guest is placed on a non-seasonal site, they will not be eligible for a seasonal site for the remainder of the season.
 - ii. Thereafter, any guest that remains in default will be required to remove their unit and all possessions immediately from Water's Edge Campground. If the unit and all possessions are not removed when requested and if Water's Edge Campground deems it necessary to remove your unit and all possessions, any charges/costs will be at the unit owners' expense. Unit owner/guest will not hold Water's Edge Campground and/or its affiliates responsible for any damage that may occur.
 - iii. As well as, on May 1, 2026, anyone still having an outstanding site balance will have a \$100.00 or 10% (whichever is greater) Late Charge added to their site fee. In addition, on June 1, 2026 (and the first of every month thereafter), you will be charged a \$25.00 or 10% (whichever is greater) late fee on any outstanding site balance.
- g. Late Fees
 - i. Any type of unpaid balance (electric bills, labor bills, etc.) more than 30 days overdue will be subject to a \$25.00 or 10% Late Fee whichever is greater.
- h. Site Departure
 - i. In the event you voluntarily or involuntarily leave the campground at any time prior to the end of the season, it will result in termination of the seasonal rate and will revert the site rate back to non-long-term rates. However, you may remove your unit for a period (i.e., vacation). We ask that you contact the Office ahead of time to let us know the dates that your unit will be removed.

- i. Site Allowance
 - ii. Seasonal and non-seasonal sites are allowed for one camping unit only (trailer, motorhome). Any additional camping unit parked or set up on a site will result in a second site fee.

- j. Visitors
 - i. All Visitors must register and pay applicable fees before entering the campground. Visitors permitted during Office hours only. Failure to register visitors is against the law and campground policy and may result in the loss of camping privileges of all campers on site in question from the property without repayment of fees.
 - ii. Most campers fail to understand why a campground owner requires their visitors to pay a fee for entering and using the facilities. Due to extra liability and utility expenses, coupled with the additional strain placed on the grounds and facilities, visitors are required to pay a visitor's fee.
 - iii. No visitor pets are permitted. As much as we love pets, please leave them at home.
 - iv. As this pertains to visitors, on Friday's, Saturday's, and Holiday Weekends (which may include Sunday), maximum occupancy per site is 10 (no more than 6 adults). NO EXCEPTIONS!!!! For example, if you have two adults and three children registered to your site, then you will be allowed 5 outside visitors. If you have two adults registered to your site, then you will be allowed 8 outside visitors. Campers registered at other sites do not need to be included in these counts.
 - v. Visitor Policy is the same as stated above (section iv) on Sunday's, Monday's, Tuesday's, Wednesday's, and Thursday's (except Holidays). For Small Gatherings see section (xi) below.
 - vi. Visitor Fees:
 - 1. Children 0-3: Free
 - 2. Children 4-15: \$10 per person per day
 - 3. Adults 16+: \$12 per person per day
 - vii. Day Visitors, please depart the campground by 9:00pm. If you have visitors staying overnight in your camper, they MUST depart the campground by 12:00 noon. If they wish to stay past 12:00 noon they will need to re-register and pay to stay.
 - viii. If you have overnight visitors who are setting up a tent, a pop-up, or a camper on your site, they must pay regular site fees and depart the campground by our regular designated check out time.
 - ix. People camping on your site when you are not at the campground:
 - 1. If you are not going to be here and want to let someone, use your camper, they must register and pay site fees. They are not visiting you; they are camping. You must notify the office prior to their arrival. You may not let them use your gate cards. They will follow the same procedure as any weekend camping family. This privilege is only for a limited length of time – a weekend. You may not let another party use your camper for an extended period. If you have seasonal visitors (21 and over) who are going to be at your camper when you are not here, they must pay the regular site fees. A seasonal visitor is someone who has paid an additional \$250 to be added to your site.
 - x. Please inform your guests of our visitor fees and policy before their visit. This will avoid unnecessary embarrassment to them.
 - xi. You are responsible for your guests.
 - xii. Small Gatherings:
 - 1. For those wishing to have a Small Gathering (no overnight gatherings) may do so with prior approval (at least two weeks advance notice) from the Office Manager. If approved, you will be allowed a maximum occupancy of 20 per site on Sunday afternoons, Monday's, Tuesday's, Wednesday's, and Thursday's (except Holidays) only. For example, if you have two adults and three children registered to your site, then you will be allowed 15 outside visitors.
